

UK AND IRELAND

Langham[™]
PARTNERSHIP

2023 ANNUAL REPORT

By 2025, two-thirds of Christians will live in the Majority World—across Africa, Latin America and Asia. Because 8 in 10 of their pastors lack training and resources to faithfully preach God's Word, they and their people are vulnerable.

**OUR VISION IS
TO CHANGE THAT**

OUR VISION

To see churches in the Majority World equipped for mission and growing to maturity in Christ through the ministry of pastors and leaders who believe, teach and live by the Word of God.

OUR MISSION

To strengthen the ministry of the Word of God through:

- Nurturing national movements for training in biblical preaching (Langham Preaching)
- Multiplying the creation and distribution of evangelical literature (Langham Literature);
- Strengthening the theological training of pastors and leaders by qualified evangelical teachers (Langham Scholars).

WELCOME!

You are what you eat?

Each and all have followed at least one special diet since we first took steps towards maturity. No-one reading this Report is still eating puréed vegetables out of tiny jars! Rather, we've progressed to cheese and chicken madras (fill in your own adult favourites)? A diet of milk would not sustain our intellectual and athletic achievements, and a madras at the age of 1 would not be edifying for you or anyone else looking on! Would that we paid such attention to appropriate spiritual diet?

This dietary need, to enable growth from infant to maturity, was expressed by Paul ('I gave you milk, not solid food, for you were not ready for it...') and Peter ('crave pure spiritual milk, so that by it you may grow...'). Then the writer to the Hebrews, 'Anyone who lives on milk, being still an infant, is not acquainted with the teaching about righteousness. But solid food is for the mature...'. Langham's Vision is to 'see churches in the Majority World equipped for mission and growing to maturity in Christ...'. And indeed, those MW churches in turn impact the maturity of World Church.

Critically, Langham's Vision means that it is committed to improving Church diet, helping to wean today's disciples from milk to solids. You will find plenty of evidence for our successful focus on delivering that diet in the pages that follow. Our expanding publishing ministry with our support through theological seminary grants and 'Books for Bible Colleges' initiative, our commitment to biblical research and scholarship, and our specialist 'adult learning' preaching seminars now form a fundamental part of MW and World Church diet, and I commend them to your prayerful support.

With Christian greetings

A handwritten signature in black ink, appearing to read 'John R Libby'.

Revd Canon John R Libby
National Director
Langham Partnership (UKI)

2023 IMPACT

THANK YOU!

You have helped to resource and equip leaders in more than 120 Majority World nations (Latin America, Asia, Africa, the Middle East).

LANGHAM PREACHING

Training pastors to preach God's Word
faithfully, clearly and relevantly

Wilfredo Weigandt, regional coordinator for Langham Preaching in Argentina, Chile, Uruguay and Paraguay, preaches at Iglesia Villacentenario in Córdoba, Argentina, a church where many of the pastors and lay teachers have been trained by Langham.

Langham trains local pastors and church leaders to study the Bible and preach it in a way that can be understood by the people in their community. As the Bible is preached and the gospel is embraced, lives overflow with gratitude to God and loving service to others.

We ought always to give thanks to God for you, brothers, as is right, because your faith is growing abundantly, and the love of every one of you for one another is increasing.

2 Thessalonians 1:3 (ESV)

IN RESPONSE TO SERMONS

GIVING THANKS FOR THE IMPACT OF YOUR GENEROSITY!

Langham Preaching expanded to **92** countries included **2** new movements in Africa!

■ *In Cambodia, people come from around the country and camp in tents to attend Langham Preaching seminars. Movement leader Sin Somnang says, "The most important thing to see health and growth in the church is that our pastors can learn to preach more dynamically and connect with one other in preaching clubs."*

There are **1,292** Langham preaching clubs around the world.

■ *Preaching clubs, like this one in Argentina, include 7-10 church leaders meeting regularly to support and encourage each other in faithful preaching. Argentina, the birthplace of Langham Preaching in 2001, hosts a thriving movement, training preachers like Eduardo Robayna, who says, "Langham's training is a simple method, but deep and profound. It allows us to preach in an organized way that gets to the people with a message for today."*

851,040 people heard God's Word proclaimed by a well-trained pastor.

■ *Worshippers in South Africa listen to a sermon by Pastor Frank Shayi. Congregations throughout South Africa, Lesotho, Eswatini and beyond are taught by Langham-trained pastors thanks to Rev. Shayi's leadership of Langham Preaching's work in the region.*

LANGHAM LITERATURE

Publishing local authors who apply biblical truths to the daily realities of God's people around the world.

Vitaliy (L) and Yurii (R), church leaders in Lviv, Ukraine, hold a copy of the new Ukrainian version of Tackling Trauma, published by Langham in 2023. Roman Soloviy, a seminary leader in Ukraine, said, "Tackling Trauma is one of the most useful books published in Ukraine for the Ukrainian church during the war."

Langham supports theological writing and publishing throughout the Majority World so that pastors and leaders have access to books in their own language and context, helping them serve the unique needs in their communities. And this connection is vital. As one Langham-published author said, "There's a great need to show that the Bible is relevant to our context, because at the moment, historically, Christianity is viewed as Western."

15,878 COURSES
IN SEMINARIES AND COLLEGES

GIVING THANKS FOR THE IMPACT OF YOUR GENEROSITY!

Helped **26** indigenous publishers in 20 different countries produce **55** local language titles.

■ *Pastors from Manilla, Philippines are using copies of Langham Scholar Dr. Rico Villanueva's commentary on Psalms 1-72. Pastors use Dr. Rico's commentary in their teaching and studies and are part of a Bible study that uses Dr. Rico's locally-relevant books.*

Published **2** ground-breaking regional Bible commentaries and advanced **16** other commentary projects.

■ *Langham continues to support the development of ground-breaking regional Bible commentaries. The Central and Eastern European Bible Commentary is the result of years of work by over 100 Bible scholars and theologians from twenty countries. Published first in English, the most common second language among countries in the region, the commentary will be translated into multiple other languages of the region in the years ahead.*

28,496 more students were educated at Bible colleges and seminaries thanks to books provided by Langham.

Langham provides books to hundreds of seminaries like West Africa Alliance Theological Seminary (WAATS) in Abidjan, Côte d'Ivoire, allowing schools to offer new courses and teach more students. Chantal N'guessan, the WAATS library director, says, "What is most useful are the books in French, and Langham has helped us in collecting them. We thank Langham. We have a library, and we are very proud of what we've become."

LANGHAM PREACHING

Equipping scholars who train leaders
and produce resources that impact
nations

Samuel, a pastor and current Langham Scholar pursuing his PhD, preaches to his congregation in a sensitive South Asian country. Samuel is the former student of a Langham Scholar and a contributor to Langham's South Asia Bible Commentary.*

**Name changed for security purposes*

Your generosity makes it possible to support emerging Christian leaders through PhD programs. These leaders return to their countries across Africa, Asia, Latin America, and the Middle East to teach, train, write, start ministries and lead institutions that shape their nations with a Biblical worldview.

LANGHAM UK AND IRELAND IN NUMBERS

Langham UK and Ireland is so grateful for the generosity of donors which enables its mission and ministry, under God, to advance.

The pie charts below provide a summary of the financial performance for the year 2021-22.

Langham Partnership UKI raises funds from UK supporters which are then used to fund programme activity.

At the same time, it operates as 'banker' for the programmes and receives funds from other Langham

Partnership entities across the world (USA, Canada, Hong Kong, Australia and New Zealand) and deploys these to fund programme activities.

In 2021-22, 83% of expenditure related to the three programme streams of Literature, Preaching and Scholars.

The full audited financial statements for the 2021-22 financial year are found from page 19 onwards.

Langham Partnership UKI Income 2022-23

■ UKI Donation Income	£1,673,092
■ Other Langham global partners	£2,781,281
■ Other Income including literature trading	£456,380
Total	£4,910,753

Langham Partnership UKI Expenditure 2022-23

■ Literature	£1,338,275
■ Literature Trading	£332,786

■ Scholars	£1,055,816
■ Langham International	£611,316
■ Cost of Raising Funds	£327,088
■ Other	£26,100
Total	£4,919,132

LANGHAM ENSURING PROTECTION AND SUSTAINABILITY FOR THE FUTURE

Langham UK and Ireland has strengthened its approach to sustainability through reviewing and developing a number of areas including: governance and policy, creation care, and social aspects.

Governance

Langham has been actively working with global partners and programs on ensuring good governance processes are effective, including developing a systematic and rigorous approach to Langham UK and Ireland own operational policies and governance frameworks. Staff have been fully engaged in this and this is proving very beneficial as we operate in a complex global environment currently.

Creation Care

Another area where Langham is striving to make a difference is in the area of creation care, reviewing its impact on the environment. We continue to raise staff awareness of environmental issues through green initiatives. Our first review of our carbon footprint in conjunction with Climate Stewards was welcomed and good understanding gained as to how LPUKI can drive improvements in its environmental impact. This is ongoing as we look at our responsibility to better care for God's creation. In addition we are currently engaging with service providers on how they approach environmental issues.

Social aspects

Langham has increased training and awareness amongst its staff and implemented an e-learning portal this year which will invest in our people,

through which they and Langham will benefit well into the future. Our staff, volunteers and partners are our strength and as we consider social aspects of governance we do so with their best interests ensuring their protection and value is maintained.

The Langham Service Centre, designed with up to date energy efficiencies including solar panels and vehicle electric charge point.

GOVERNANCE, STAFFING AND RESOURCING

Langham Partnership UK and Ireland Board of Trustees

Nigel Ankatell

Nigel is a Chartered Accountant and has spent most of his professional life as a director with PwC & EY working with families in Northern Ireland (and Scotland) helping them primarily with tax and succession issues. He currently has his own private practice. He is on the board of a large UK transport company and also is a trustee of a pension fund.

He spent the early part of his life in Co Donegal and subsequently in Bangor in Northern Ireland. His heroes of the faith are those godly ministers of the church who care for their people and faithfully teach the whole counsel of God from the whole Bible.

He has worked in christian leadership roles for many years and has a special interest in coming alongside and working with those who are considering a call from the Lord to be ministers in His Church.”

David Benson

Dr. Dave Benson is a leading thinker and researcher on the role of faith in 21st-century Western culture. A former high school teacher and lecturer at Malyon Theological College in Brisbane, Australia, he currently leads the London Institute for Contemporary Christianity’s Culture & Discipleship work. This role involves consulting with theological education institutions to develop whole-life disciplemakers (LICC’s Theological Education).

Dave’s mission is to cultivate disciples equipped with wisdom for following Christ’s way in a post-Christendom culture. His 2016 Ph.D. project, titled ‘Schools, Scripture, and Secularisation,’ explores the ultimate aims of competing curricular visions and the role of sacred texts in secular education. Additionally, he is the lead editor of *Transforming Vocation: Connecting Theology, Church, and the Workplace for a Flourishing World* (Wipf & Stock, 2021).

Nigel Bridges

Nigel has over 30 years leadership experience in the consulting and technology sector. His career has included significant UK and international experience in managerial and executive roles including Divisional Director, Managing Director, COO and CEO for larger corporates and smaller SME’s. After graduating from City University (now Cass) Business School Nigel started his

career in management consulting and business development in the UK and Hong Kong; before moving into general line management. His corporate career saw him managing ever larger business units across the UK and Europe including a number of turn-arounds.

Mary Evans

Mary taught mathematics for two years at a Manchester comprehensive school before studying for four further years at LBC. She then continued on the staff at LBC/LST for the next 30 years becoming vice-principal for the last few years. During that time she had experience as a visiting lecturer for varying lengths of time in Pakistan, India, Brazil, Romania, Croatia and Zambia as well as in Canada and

Australia. She has also had the opportunity to visit mission work, often involving theological colleges, in Ecuador, Ghana, Nigeria and Niger. Her involvement on the councils of Bible Society, Global Connections, EA, Latin Link and SIM (not all at the same time!) has also been fairly extensive. She taught Old Testament Studies for three years at the Ethiopian Graduate School of Theology in Addis Ababa. Mary has authored several books including the BST commentary on 1 and 2 Samuel and the Tyndale Commentary on Judges.

Dr Desta Heliso

Desta was born to a Christian family in rural Ethiopia. He is married to Joanna Jeffery and they have six children, three of whom are biological (Sophia, Ezra and Charis), and three adopted (Melkamu, Mekdes and Keab). Desta received a diploma in theology in Ethiopia and then taught at a theological school, where he also served as Director and co-ordinator of ministries for over 300 congregations

in his home area. He came to Britain and completed his PhD after which he returned to Ethiopia and joined the faculty of the Ethiopian Graduate School of Theology (EGST) as lecturer. After serving as Acting Dean of Studies, he was appointed Director in 2008, a position he held until the end of 2015. Desta has now left EGST after 16 years of service. He and his family have moved back to the UK for family reasons. Desta continues to lecture part-time at theological institutions and work on academic research projects as well as running a new not for profit organisation called SOPHOS AFRICA.

This variety of experience across different countries, cultures, sectors and business sizes also helps him to bring fresh perspectives that he can share with the organisations that he works with. He is currently CEO of Beacon, a challenger SaaS platform looking to change the landscape of online advertising by driving transparency, increasing data accuracy and reducing fraud. Nigel also holds a number of business interests including non-executive directorships, board advisory positions and charity trusteeships.

Alan Johnston

Alan holds Non-Executive Director roles in the Financial Services Sector. After reading Economics and Accounting at the University of Newcastle upon Tyne he qualified as a Chartered Accountant with Armstrong Watson and remained with the firm throughout his career, latterly as Senior Partner, before retiring in 2018 after over 30 years with the firm. Alan is vice chair of the PCC of St. James

Carlisle and a member of Chapter of Carlisle Cathedral. Alan is married with three children and eight grandchildren.

Stephen Mackay

Stephen has lived in Africa, Canada, Hong Kong and across Europe. He served as a Captain in the Royal Engineers before becoming a Civil Engineer designing power stations and skyscrapers. A theology degree followed by an MTh led to a working partnership with theological publishers in Spain. The history and work of OMF in East Asia has also been a lifelong interest. He is married with

two adult children and appreciates the rich mix of cultures at All Souls, Langham Place.

Steve Osei-Mensah (Chair)

Steve has been on the Langham Partnership Board for a number of years. He is also a member of the board of MAF UK and MAF International. Steve has 34 years of business leadership experience in Europe, Asia, Africa and North America. He has been a partner with both PwC & EY in consulting, a director/in senior management in the financial services industry

(Barclays, L&G, & Cap Gemini), and a managing consultant in the Executive HR space. Steve is the Work Forum Director for LICC (London Institute for Contemporary Christianity). He combines this with his trustee roles and is also a mentor / coach and Ambassador for The IoD (Institute of Directors). Steve was recently ordained (September 2021) and serves as a part-time curate in a group of three parishes in Sevenoaks where he lives with his wife Emma. They have two grown daughters. Steve is passionate about aviation and is a qualified private pilot with UK and US licences.

Judith Sawers

Judith and her husband, Will, work with Wycliffe Bible Translators supporting national translation teams in central Africa, and as part of Wycliffe's member care team in the UK. Judith's degree in Biblical Studies and Linguistics and a call whilst in her teens to serve God cross-culturally led them in this direction.

Her work now focuses on publicity and prayer-raising for the Central African Republic through networking and social media, and supporting colleagues in raising personal financial support in the UK. Her experience of the gaps in training and resourcing of the church in central Africa has made her very much aware of the potential for Langham's ministry there, as in so many other challenging situations around the world. The combination of both a new generation of Bible teachers and mother-tongue Scriptures seems one of the most powerful tools for the development of mature churches worldwide! Having recently moved to west Devon, she is enjoying building relationships in the community there and seeking God's place in the local Christian family.

Senior Management Team

John Libby *National Director*

John joined the Langham Leadership Team in May 2016 as National Director for the UK and Ireland and is a member of Langham's international Executive Committee. John enjoyed 20 years in International banking, and during that time he read Economics at Trinity College, Cambridge. He left banking to study at

Ridley Hall, Cambridge, before becoming an ordained minister in the Church of England in 1992 and joined Langham after 18 years in Parish Ministry as Vicar of St James, Carlisle. He is an Hon Canon of Carlisle Cathedral and as a Christian entrepreneur, John built and fund-raised for several charitable enterprises. He is married with a son and two daughters.

Helen Hamilton *Chief Finance Officer*

Helen joined the Langham Leadership Team in November 2017 as CFO for the UK and Ireland. A history graduate, she is a Chartered Accountant and previously worked in local government overseeing funding for schools, and before that in external audit for the Audit Commission.

Her role is to oversee the finances for LPUKI, ensuring the programme staff are released to do the work on the ground. Helen, her husband Adrian, and daughter Lucy, live in Carlisle and worship at St James Church.

Simon Foulds *Supporter Development Manager*

Simon has been working in the Charity sector for 30 years. Holding fundraising roles for The Children's Society, Treetops Hospice, Bible Society, Royal British Legion and The National Holocaust Centre.

Simon is a local preacher for the Methodist Church and chairs the Religious Studies Resource Centre in Nottingham. Simon is married to Vanessa and they have a son and two daughters.

David McMullan *Deputy CFO & ESG Manager*

David is a Chartered Accountant joining the LPUKI Leadership Team in 2022 after 18 years in senior management positions in an NHS Trust. He has experience across accounting, auditing, taxation, governance, strategic planning and leadership, and is an advisor to and has experience in a number of charitable organisations.

David, his wife and their three boys live in N. Ireland, where they serve in their local church. The whole family have a keen interest in rugby. Currently, David is undertaking a theological qualification in his spare time.

Structure, Governance and Management

The Langham Partnership (UK and Ireland) [LPUKI], is a company limited by guarantee and a registered charity governed by its Memorandum and Articles of Association. LPUKI was an original member of the Langham Partnership formed in 2001. It signed up to the provisions set out in the Langham Partnership International Protocol first adopted September 2003 (latest revision adopted November 2013) and is currently one of the 6 National members. Langham's global programmes are jointly owned by, and are internationally operated through, the staff and funds provided by all 6 Members. The location and development of the Langham Service Centre in Carlisle results in additional responsibilities for LPUKI and the need for the LPUKI Board to have visibility of the programme incomes and expenditures and cash flow requirements on a regular basis, in order to exercise its fiduciary interest in the programme funds passing through the LPUKI accounts.

New Trustees are appointed by the existing Trustees in accordance with the Articles of Association, which specify that there must be a minimum of three Trustees at any one time, with no set maximum. The Board meets a minimum of three times a year, with one of these being a longer residential. Newly appointed trustees are provided with a full induction and the Chair and CEO provide training. Some roles require

an appropriate professional qualification but most roles do not. Each year the Chair and CEO consider the number of vacancies likely to be available on the board against the particular skills, experience and other attributes that are being sought at that time to maintain diversity. Internal advertising to supporters and related organisations and approaches to known experts in key fields are the methods generally used for filling Trustee vacancies.

The Trustees have examined the major strategic, business and operational risks that LPUKI faces and review regularly an updated risk management matrix, confirming an assessment has been made of current risks and appropriate mitigating actions are in place. Those of primary concern to the Trustees at present continue to relate to growing current income for the charity with a donor base that is ageing and in recruiting new supporters through updated methods. Significant time and resources are now being invested in raising Langham's profile. Potential foreign exchange fluctuations continue to be of concern and require the transparency and modelling made possible by the global accounting system. Where much of Langham's operation spans the globe, the rise in visa restrictions and their complexity is starting to have significant impact on planning.

Fundraising Policy

The charity is registered with the Fundraising Regulator and adheres to its Code of Practice as well as the Charity Commission guidelines on fundraising. Trustees are issued with the Institute of Fundraising 'Practical Handbook' (2016) and activity is reviewed annually against this. The charity only fundraises and promotes support via specific written information which is issued in response to explicit written consent or personal enquiry direct or through the website. No cold calling, telephone or street fundraising is carried out and no inducements are made to staff or volunteers. No professional fundraisers or commercial participators carried out any fundraising activities on behalf of the charity. Our privacy policy covers how we use our donors' data and provides opportunities for all donors to opt out of contact with us or make a complaint at any point. Overseeing fundraising is the responsibility of our Supporter Development Manager who is a member both of the Institute of Fundraising and our senior leadership team. No complaints linked to fundraising have been received during the period under review.

Objectives and Activities

The charitable company's objects as stated in its governing document are the advancement of the Christian religion, based on the belief set out in the Bible. This is given expression in the following ways;

- The writing, printing, publication and distribution of Christian literature
- Preaching and teaching
- Provision of post-graduate theological education and training

Public Benefit

The objects of LPUKI are focused on education and teaching as a core means of advancement of the Christian religion in the Majority World (Latin America, Africa, Asia, the Middle East and Eastern Europe), to help the global church grow in maturity. This is done by providing grants, scholarships, training workshops, assistance in the creation, publication and distribution of literature and also includes the facilitation of local preaching networks.

In shaping our objectives for the year and planning our activities, the trustees have also considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Mission and main activities

Our vision is to see churches in the majority world equipped for mission and growing in maturity in Christ, through the ministry of pastors and leaders who believe, teach and live by the Word of God. We achieve the objects of the charity and our mission to strengthen the ministry of the Word of God, through:

- Funding and nurturing national movements for biblical preaching and teaching networks in the Majority World, aimed at a wide range of church leaders who could not usually afford such training within their regions.
- Supporting individuals and publishing houses in the Majority World through mentoring, writing, publication and distribution of Christian literature. This support is provided as free consultancy work, writers' workshops and also through the provision of financial grants and books.
- Providing scholarships and family support to scholars seeking further theological training to doctoral level. It is a condition that Scholars return to their home countries in order to train others and develop training institutions in the Majority World.

The Langham Partnership carries out these programme initiatives in partnership with institutions and individuals in the countries where we operate. LPUKI has been a major contributor to a strategic planning process involving all six national Langham members and the three international programs. This process informed our global Strategic Plan and Growth Campaign which, after 2 years (out of 5) was reassessed and extended in the light of the Covid-19 pandemic

Achievements and Performance

Our global Strategic Plan continues on course to double our global impact in financial terms over 5 years and then to sustain that level for a further 10 years, while resources are committed to growing our regular core income to match. This Plan was deliberately plateaued in the wake of Covid-19 pending greater clarity over the global economic situation and the response of our donors. In the event Langham's expansion was less constrained by the economic impact on donors, who remained extremely generous, but rather by the continuing uncertainties in international and regional travel. However, the excellent numbers given below are independently assessed and are given for Langham Partnership as a whole because UKI specific impact numbers are not independently collected.

Full use of real-time virtual, digital media continues to significantly help maintain impact as well as reducing travel and admin costs. Using these resources and in line with the ambition to raise our UKI profile. Langham has increased its presence at a range of conferences and conventions throughout the UK. Together with our supporters, and with God's grace, this past year these 3 programmes have accomplished:

Langham Preaching:

- Held 360 (2022, 276) in person and virtual preaching training seminars in 81 (2022, 63) countries in need of solid biblical preaching. 6% (2022, 34%) of the seminars were virtual (online). There are 108 (2022, 104) Langham Preaching Movements in 92 countries (2022, 89 countries) around the world.
- Equipped 11,719 (2022, 9,812) pastors and lay leaders to teach God's Word (1,081 (2022, 1,400) of these individuals are local indigenous Facilitators and Preaching Club coordinators). Training has been led by 720 (2022, 669) local Facilitators, who are equipped and working together in teams to train others.
- Shepherded 1,292 (2022, 1,143) preaching groups of 7-10 pastors and leaders meeting regularly for ongoing training and mentoring
- Held 9 (2022, 8) global or regional consultations, forums or leadership meetings, involving at least 233 (2022, 99) leaders and/or coordinators from across the world to review, learn, train and plan.

Langham Literature:

- Supplied 11,792 (2022, 14,635) Bible-centred books to 705 Majority World (MW) colleges (2022, 700) across 78 (2022, 79) countries to help students grow and mature in Christ. 8,340 (2022, 11,154) of these books were supplied to 677 (2022, 693) colleges free of charge through the Library Grants program.
- Distributed 26,806 (2022, 32,722) Bible-centred books to Majority World pastors, students and ministry partners in need of study materials. 13,746 (2022, 18,971) of these books were supplied free of charge to participants at, or Coordinators of, Langham Preaching seminars.

- Distributed 8,547 (2022, 18,270) Bible-centred books to partner Majority World publishers.
- Supplied 84,453 (2022, 109,761) Langham publications to, and via, Western countries.
- Distributed a total of 221,622 (2022, 236,622) books, including almost 35,000 books that Langham distributes for ministry partners. Of the total books distributed by Langham, 89,848 (40%) (2022, 38%) were digital.
- Actively involved with 26 (2022, 23) indigenous publishers, in 20 (2022, 20) different countries, in the production of 55 (2022, 36) local language titles, through the awarding of Publisher Grants (to 21 publishers in 16 countries) and/or mentoring and advice. Additionally, 8 (2022, 14) local writers in 6 (2022, 12) countries were supported through Writer Grants.
- Mentored Majority World Editors writers.
- Published 46 books (2022, 50), including 24 (2022, 26) Langham Global Library, 11 (2022, 15) Langham Monographs, 5 Langham Preaching resources, (2022, 4) 3 Hippobooks (2022, 3) and 3 LivresHippo books (2022, 2). 30 (2022, 38) of the books published were by MW authors or contributors and 14 (2022, 15) of these were by Langham Scholars.
- Supported the publication of 2 (2022, 3) ground-breaking Bible - The Central and Eastern European Bible Commentary (English) and the Central Asian Bible Commentary (Russian), and also Genesis 1-11, the first book in the Windows on the Text series. Also, actively worked on 16 (2022, 19) other Commentary projects.

Langham Scholars:

- Supported 98 PhD (2022, 85) students from 46 MW (2022, 44) countries in theological doctoral programs. 21 of these scholars are new scholars who commenced Langham scholarships during the 2022-23 academic year.
- Celebrated the graduation of 11 PhD scholars (2022, 7). Leaders who will go on to shape their nations with a biblical worldview as they teach in seminaries, start salt and light ministries, and serve at the highest levels

in government – and join a fellowship of more than 331 graduated Langham Scholars serving around the world.

- Supported 12 (2022, 5) current doctoral MW scholars and 9 (2022, 3) postdoctoral scholars, with study residencies for concentrated periods of study, or research and writing projects, in centres where there is access to excellent library resources and a research community.
- Supported the involvement of 9 Francophone African postdoctoral scholars in the Francophone IRTS projects, 6 scholars in a new Asia Regional Research and Training seminar and 8 postdoctoral scholars completed their involvement with an Anglophone International Research and Training seminar. 4 Francophone IRTS scholars had individual study residencies to assist them to produce papers, research articles and academic monographs.
- Held 4 in-person Regional Scholar consultations (2021, 3) for current Langham scholars and 1 virtual gathering. Held 2 in-person Regional Forums for graduated Langham scholars and 10 virtual events. Consultations and Forums provide opportunities for scholars to network, receive pastoral care, share research, collaborate, and be more effective in serving the church and theological institutions.
- Langham Scholars had at least 34 books/articles published.

Special Events

As part of the Langham Global Growth Campaign, LP UKI launched its own Magnify growth Campaign, and this was the major mission and ministry investment of the year. The planning phase, board engagement, staff involvement and production of profile and materials all having taken place, national events are starting to take place with dinners and public meetings held in London, Belfast, Edinburgh and Glasgow and full programme developed for the coming year.

Our thanks are due to so many for the successes of the year, to our committed and generous Donors, and gifted, sacrificial Staff. We give thanks to God for his continuing to draw us forward through a time of significant change and development while increasing our fellowship and growing the impact of our work. We continue to remember many in our Langham family in Ukraine and other inhospitable areas of the world and thank the Lord for the privilege of serving with them as we continue to pray for their blessing and protection.

Financial Review

The 2022-23 impact of our programmes (see 'Achievements and Performance', above) depends on the Group raising £8.8m in donations and other income. Much of this flows through UKI, both due to its role as banker to the group and the location of the Langham Service Centre in Carlisle, UK. There are about £2.8m of internal 'inter entity transfers' through UKI accounts.

Of the £8.8m raised by the Group in 2022-23 (largely through donations) £2.1m was contributed directly from LPUKI income. This enabled the Group to spend £8.7m on Programmes directly and via global ministry support, of which £4.9m has been expended through LPUKI.

As such, during the year, LPUKI raised £4.9m of income (2022: £3.7m) and spent £4.9m (2022: £4.0m).

At the financial year end, after losses on investments totalling £26k (2022: £38k), the charity made a small deficit of £34k (2022: £331k).

Remuneration policy

Salaries are set by benchmarking against market rates, normally based on Church of England levels suitably adjusted where similar positions occur in the wider charity sector or in order to fit local part time job scales.

Reserves Policy

Total funds held as at 30 June 2023 were £2,356k, of which £1,040k is restricted and not available for the general purpose of the charity and £1,315k is unrestricted funds, after designations. Free reserves, representing unrestricted funds less designated funds totalled £215k.

The trustees have assessed LPUKI's risks and determined the level of free (designated 'policy') reserves required, based on a formula that takes account of 3 month's operational costs, 1-month strategic reserve, multi-year program commitments especially for Scholars and contingency reserve needs, for example for the Hookses property. As such, a Reserves Policy Fund has been established with a current calculated requirement of £300k, which is included within designated funds.

Trustees are mindful of the deficit held on the 'designated funds programme' line which is reducing the overall level of free reserves. This emerges from LPUKI's role as banker for the programmes and will be addressed as funds are received to support programme activity in the 2023-24 financial year.

Trustees will continue to review LPUKI's reserves policy and level of reserves on an annual basis, in the light of changing risks and developing strategies and plans.

Investment policy

The trustees have the power to make any investments that they think fit. They have considered the most appropriate policy for investing funds. In June 2023, the trustees decided to remove £224k of investments from the specialist unit trusts designed for the charity sector, and to move these to a new investment platform.

This was based on an analysis of the performance of the unit trusts and also to ensure a more balanced portfolio and to maximise investment returns whilst balancing risk.

Auditors

Moore Kingston Smith LLP were re-appointed to act as Auditors at the last year's AGM and we are grateful for their diligence and advice during the year.

Trustees' Responsibilities

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial period that give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply

with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees who held office at the date of approval of this Annual Report as set out above each confirm that:

- so far as they were aware, there is no relevant audit information (information required by the charitable company's auditors in connection with preparing their report) of which the charitable company's auditors are unaware; and
- as trustees of the charitable company, they have taken all the steps that they ought to have taken in order to make themselves aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

Small company

This report has been prepared in accordance with the provisions applicable to companies subject to the Small Companies' regime in Part 15 of the Companies Act 2006.

Approved by the Board of Directors and signed on its behalf by:

REPORT OF THE INDEPENDENT AUDITORS

Opinion

We have audited the financial statements of The Langham Partnership (UK & Ireland) ('the charitable company') for the year ended 30 June 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 June 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of financial statements section of our report. We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions

that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' annual report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' annual report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the

company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' annual report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Trustees' Annual Report and from preparing a Strategic Report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 8, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from

material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify

our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the charitable company.

Our approach was as follows:

• We obtained an understanding of the legal and regulatory requirements applicable to the company and considered that the most significant are the Companies Act 2006, the Charities Act 2011, UK financial reporting standards as issued by the Financial Reporting Council and UK taxation legislation.

- We obtained an understanding of how the charitable company complies with these requirements by discussions with management and those charged with governance.
- We assessed the risk of material misstatement of the

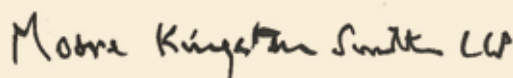

financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.

- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.
- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charitable company and charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1 ACCOUNTING POLICIES

Accounting convention

These financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of investments being measured at fair value through income and expenditure within the Statement of Financial Activities.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) including update bulletin 2, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and have taken account of pressures on donation and investment income.

The trustees maintain and regularly review a risk register, and have given due consideration to the risks to the financial sustainability of the organisation due to the current inflationary pressures.

The 2022-23 financial year has shown the resilience of Langham's income streams in the face of these pressures.

Langham has control mechanisms in place to enable flexibility in budget planning should there be a negative impact on income streams. The Leadership Team, which

comprises representatives from each entity and programme stream, reviews the financial forecast on a monthly basis. In previous years Langham has shown capacity to reduce budgets and costs quickly and effectively in the face of the risk of reduced income. As shown in the financial statements there are outstanding loans that are due for repayment by June 2024. These liabilities are understood by LPUKI trustees and Langham Partnership International and plans are in place to identify how these will be financed as set out below.

The charity has been notified that they are a beneficiary in the will of a deceased supporter where the timing of the receipt of a substantial legacy is not yet known and the quantum cannot be estimated with reasonable accuracy. This has been disclosed as a contingent asset in note 23 of the financial statements.

In addition to this, the charity has obtained an in-principle agreement for a loan facility of up to £635,000 with a banking institution to provide the funds to settle the outstanding loans that are due for repayment by June 2024.

Taking the above into account, the Trustees are confident that the charity will continue to meet its obligations as they fall due for a period of 12 months from signing these financial statements, and that therefore the going concern basis continues to be appropriate.

Income

- Donations, grants and other forms of voluntary income are recognised in the period in which the charitable company is legally entitled to its receipt and the amount can be measured and receipt is probable. Income tax recoverable on Gift Aid donations is recognised when the income is recognised. Legacies are included on a receivable basis as and when the value can be measured with sufficient reliability and receipt is probable.

- Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold.

- Activities in furtherance of the charitable company's objects include income from book sales and is included in the period in which it is receivable.

- Investments are included in the balance sheet at their market value on that date. Unrealised revaluation gains are

included in the Statement of Financial Activities. Investment income is credited to the income and expenditure account, and is inclusive of any income tax recoverable thereon.

Expenditure

All expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay. Expenditure has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

- Grants payable are accounted for when paid over, or when awarded, if that award creates a binding obligation on the charitable company.
- Cost of raising funds includes all expenditure in relation to obtaining funding for the charitable company to meet its charitable aims.
- Costs of charitable activities include all expenditure directly related to furthering the objects of the charitable company.
- Support costs including governance costs are allocated to cost of raising funds and charitable activities on the basis of an estimate of time spent by the relevant staff members, and resources utilised.

Expenditure includes attributable VAT that cannot be recovered.

Depreciation

Fixed assets below £750 are not capitalised.

Depreciation is provided on tangible fixed assets at rates calculated to write off the cost of each asset evenly over its expected useful life, as follows:

Buildings	2% on cost
Fixtures, fittings and equipment	20% to 25% on cost

Freehold land is not depreciated.

No depreciation is charged on the Hookses freehold building as it is maintained to a high standard, which prolongs its useful life and enhances the residual value (based on prices prevailing at the time of acquisition) and accordingly any depreciation charge arising is considered to be immaterial. The freehold building is reviewed for impairment annually.

The Langham Service Centre is measured at depreciated replacement cost based on its operational use to the organisation.

Investments

Investments are stated at market value at the balance sheet date. Realised and unrealised gains or losses for the period are accounted for through the Statement of Financial Activities.

Stocks

Stocks are stated at the lower of cost and net realisable value. When publications are given to scholars, their cost is recognised within grants payable at the time of the gift.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense.

Pensions

The charitable company participates in a defined contribution pension scheme, the assets of which are held separately from those of the charitable company in a fund independently administered by the Pensions Trust. The charitable company also contributes to money purchase personal pension plans held by individual employees.

Contributions are charged to the statement of financial activities for the period in which they are payable to the scheme.

Operating leases

Rentals payable for assets held under operating leases are charged as they fall due.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions denominated in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the net movement in funds.

Funds

Unrestricted funds represent the funds of the charitable company that are not subject to any restrictions regarding their use, and are available for application to the general purposes of the charitable company. Funds designated for a particular purpose by the charitable company are also unrestricted. Designations are shown as a transfer from undesignated to designated funds.

Restricted funds are those amounts given for specific purposes, which may be declared by the donor or with their authority.

Critical accounting estimates and areas of judgement In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements.

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

2 TAXATION

The charity benefits from exemptions on income and gains falling within sections 466-493 of the Corporation Tax Act 2010 to the extent they are derived from charitable activities.

Grants paid in the year can be analysed :		
Individuals	13,025	499,976
Institutions	883	724,072
		1,224,048

Scholarship grants mainly comprise the support of Langham scholars to complete their PhD.

Preaching grants comprise grants made to support preaching seminars and clubs in majority world countries.

Literature grants comprise both grants to publishers and editors for creative projects, as well as book grants for the libraries of theological colleges in majority world countries.

9 STAFF COSTS AND RELATED PARTY TRANSACTIONS

	2023 £	2022 £
Wages and salaries	956,789	891,686
Social security costs	78,640	73,795
Pension costs	80,781	78,139
Other Benefits	14,096	13,848
	1,130,306	1,057,468

Average monthly number of staff:	No	No
Office and programme staff	43	41

The number of employees whose emoluments exceeded £60,000 were:

	2023	2022
£80,000 - £89,999	1	
£90,000 - £99,999		1

The staff member earning over £60,000 relates to a Langham Partnership International employee based in the UK.

Key management personnel include the Trustees, Chief Executive and senior staff reporting directly to the Chief Executive, and the International Director, who is responsible for Langham Partnership globally. The total employee benefits of the charity's key management personnel were £301,002 (2022: £260,384). Excluding Trustees, the charity's key management personnel consisted of five staff members in 2022-23 (four key management personnel staff members in 2021-2022).

No remuneration was paid to any trustee in the year. During the year eight trustees were reimbursed expenses for travel and meetings totalling £3,983 (2022: one trustee: £50).

10 NET INCOME/(EXPENDITURE)

This is stated after charging:	2023 £	2022 £
Auditors' remuneration:

Net investment (losses)/gains	(25,649)	-	(25,649)	(38,234)
Market value at 30 th June 2023	113,417	1,000	114,417	364,328
Historic cost as at 30 th June 2023	225,177	1,000	226,177	226,177

The investments at 1st July 2022 were held in Blackrock Charities Equity Fund and Blackrock Charities Bond Fund, M&G Charifund income units; M&G Common Investment Fund; Schroders Charity Equity Fund income units; Schroders Charity Fixed Interest income units; Central Board of Finance (of The Church of England) COIF Charities Investment Fund accumulation units.

During the year, the investments in Blackrock and Schroders were disposed of meaning the investments at 30th June 2023 were held in M&G Charifund income units and the M&G Common Investment Fund.

The liquidated investments have been temporarily moved into cash ready to be invested in the new financial year once new arrangements have been set up. This was approved by the Trustees in June 2023.

The investments are pooled for the General Fund.

14 STOCK

Income in advance	80,225	-
	<u>1,057,363</u>	<u>983,172</u>

The borrowing of £610,000 comprises three loans with long-term supporters of the charity to support the financing of the development of the Langham Service Centre which was brought into use in August 2021. These comprise a loan of £500,000 which is interest free, unsecured and repayable by 24th June 2024. An interest free unsecured loan of £50,000 which is repayable on 31/03/2024. Subsequent to the balance sheet date, this loan was extended for a further 12 months to 31 March 2025. An unsecured loan of £60,000 repayable on 6th June 2024 which has an annual interest rate of 4%. These loans are considered to be public benefit concessionary loans as the interest rates are below the prevailing market rate. They are valued at amortised cost.

18 UNRESTRICTED FUNDS

Where funds are received on an unrestricted basis, LPUKI seeks to transfer these to support programme activity and therefore we see a transfer of £912,925 from the LPUKI General Fund. This comprises several aspects:

£669,447 has been designated for programmes to support activity

£130,000 has been transferred to support the LSC warehouse development project

£92,700 has been transferred to Langham International to support international costs

£20,778 has been transferred to the Reserves Policy Fund to replenish this to the required £300,000 level as based on the current reserve policy.

In 2022-23 £537,829 has been transferred from the programmes general fund to support expenditure within the designated programmes fund. The programmes general fund relates to income from literature trading and author royalties. These monies comprise unrestricted income.

In 2022-23, £6,000 has been transferred from the LPI International Ministry Director fund to the Scholarship Fund as approved by the International Ministry Director, to support the cost of living pressures being faced by scholars.

£102,783 has been moved from the restricted general literature fund to support the publisher development fund.

The Scholars Fund comprises funds restricted to support the Scholars programme in terms of PhD tuition fees, scholar care and consultations.

The Langham Service Centre (LSC) serves as a hub for the Literature, Preaching, and Scholars programmes. The designated and restricted funds for this will be used to support the cost of this project as it is depreciated and maintained over its useful life.

The Hookses Fund arose from a gift of a freehold property to the charity for its use and ministry.

The LPI Fund comprises restricted funds to support the central functions of Langham (eg IT, staffing and finance).

19 RESTRICTED FUNDS

The LPI International Ministry Director comprises funds received in respect of the IMD and used to support a wide range of international initiatives

The Literature Fund comprises funds received specifically for the literature programme and the various projects within that.

The Preaching Fund is to facilitate the improvement of biblical preaching through seminars and consultations held in different parts of the world.

The Publisher Development fund comprises funds restricted to support the development of majority world publishers through grants, support and mentoring.

The Windows on the Text fund comprises income received for this creative commentary project within the literature programme, which is being completed over time.
