

Langham Live – March 2023 – Turkey/Syria earthquake

Prayer points from 'K', who is involved with Langham Preaching in Turkey and lives in Istanbul.

Please pray for:

- Comfort and help to those who have suffered loss and displacement due to the earthquake, children who have been orphaned.
- The need for healthy long-term solutions (housing, jobs, schools etc)
- Relief work headed up by churches: protection/strength, efficacy, witness. For pastors and leaders to be able to discern how to be involved in the earthquake area whilst also, shepherding their flock.
- Upcoming elections in May. This is a very important election, please pray for a just, fair, peaceful election process and a result that will bring peace and hope to this nation.
- Christians being strengthened overall, growing deeper in God's Word.
