"Langham has been very effective in my country, Lesotho, especially amongst lay leaders. It's equipped them to interpret the Bible in such a way that they can put it into practice, starting with the preparations, taking that down to living that out. Now with pastors as well, it has reminded them to speak biblically when they stand up to preach."

Joseph Morenammele, Langham Preaching Coordinator for Lesotho.

The harvest is plentiful...

YOUR GIFT DOUBLED!

... but the workers are few

You can join Emeka in training preachers across Africa

## Corruption, war, violence, instability, economic downturns.

These are just some of the crises affecting countries across Africa. In these areas of great poverty, pressure, yet huge potential – **what is the answer?**

The local Church. As the Word is preached, lives are changed, **communities are transformed.**

The Langham Preaching programme is working hard in countries across Africa to train local leaders to faithfully preach the Bible.

Local leaders truly understand the issues their fellowships and their countries are facing.

That's why we are passionately committed to **equipping indigenous pastors** and church leaders with training they need to preach with clarity, conviction, and faithfulness.

**Will you join us in raising up more workers for the plentiful harvest in Africa?**

Last year, we equipped over **5,000 pastors** and lay leaders in 24 African nations. This year, we want to reach more pastors, strengthen more churches, and see more communities across Africa come alive with the **hope and truth of the Gospel.**

Will you prayerfully consider joining us in raising **£20,000** so that next year, a further **500 indigenous leaders** in Africa can receive the training they desperately need?

This Autumn, **your gift will be doubled** (thanks to a generous Langham supporter).

"Langham training impacts the lives of the church members, who now go ahead to impact society. They become salt and light in their own community."

**Emeka Egbo**, Langham Preaching Associate Director for Africa

"Before attending Langham Preaching, I used to hate the Old Testament. Now I'm enjoying any scripture or any verse from the Old Testament. Now I can understand it."

**MJ Tshidzumba**, lay minister, Limpopo

**YOUR GIFT WILL HAVE DOUBLE THE IMPACT!**

If you give **£75**, Langham will receive **£150** to train African preachers
